This year's WRL Summer Reading Program is **Imagine Your Story**, and it's a great way for your family to enjoy reading and other activities all summer. You can register for the challenge in Beanstack, log each day you read, and complete activities and submit reviews to earn virtual badges. Each week you can join a Zoom meeting to share what you've read with a librarian, and come by curbside pickup for a fun new craft. If you log 40 days of reading during the program, you'll earn a prize!

How do I sign up?

Register at wrl.beanstack.org, download the Beanstack Tracker app, or sign up at an MLS stop. If you've never signed up before, you'll need to enter your library card number. If you already have a Beanstack account, log into your account and register for the **Imagine Your Story** challenge. If you are unable to log in, send an email to sprocket@wrl.org for help, or call 757.259.4055 or 757.259.7733 during business hours.

How do I log my reading?

Log each day you read, with a goal of reading 40 days between June 1 and August 31. Books, ebooks, magazines, comic books, graphic novels, audiobooks, books you read to others or have read to you — they all count.

How do I share titles?

We'll host Zoom sessions each week for you to talk to a librarian one-on-one about what you've been reading. Check our calendar or the Kids' Summer Reading page at wrl.org for the most current schedule. You may also talk to a librarian at any MLS stop, email us at sprocket@wrl.org, or chat with us through IM on the Kids' Summer Reading page at wrl.org.

What else can I do?

Performances! Crafts! Activities! Many of our regular summer performances will be happening virtually. Check the calendar for information about how to access them. Each week you can pick up a new craft at curbside locations and MLS stops, while supplies last. And you can complete challenge activities and write reviews of the books you've read to unlock electronic badges in Beanstack.

What are the prizes?

All participants who log 40 days of reading between June 1 and August 31 will win a prize. Babies and children from birth - 5th grade will earn a gold library card. Tweens and teens from 6th-12th grade will earn an Amazon gift card.
